

Flying without operations manager Consent form for Pilots

Hof-Plauen Airport (EDQM) permits flights without an operations manager, in accordance with the published operating regulations, exclusively outside of operating hours (PPR) when no flight operations manager or air traffic control personnel are available.

Pilots who wish to use Hof-Plauen Airport outside of operating hours in accordance with the above-mentioned procedure confirm with this form that they have taken note of the operating regulations, as well as the limited fire protection measures and the corresponding procedures for conducting flight operations. Flughafen Hof-Plauen GmbH & Co.KG, acting as the aerodrome operator, expressly points out that use of the airport grounds must comply with the 'Flying without an operating manager' regulations and with the Airport Operating Regulations (FBO).

I herewith confirm,
